Program Description/Mission The Youth Outreach (YO) Program provides medical and social services to homeless and at-risk youth ages 21 and under. YO outreach workers take to the streets nightly to encounter homeless youth in their own environment, gain their trust and provide referrals to the YO drop-in center, located in Waikiki. The drop-in Center offers street youth a chance to get a hot meal, take a shower, get some exercise, participate in group sessions on sexual responsibility and violence prevention, receive GED instruction, or just enjoy a safe refuge from the streets. Health care is provided at the YO "teen-friendly" clinic. The Mission of YO is to encourage and empower runaway, homeless, and street-identified youth to acquire information and skills that promote safety, enhance decision-making and develop individual strengths.
